Brooklawn School District
Harassment, Intimidation and Bullying

Policy Statement

The Brooklawn School District prohibits acts of harassment, intimidation or bullying of a student. A safe and civil environment in school is necessary for students to learn and achieve high academic standards. Harassment, intimidation or bullying, like other disruptive or violent behaviors, is conduct that disrupts both a student's ability to learn and a school's ability to educate its students in a safe and disciplined environment. Since students learn by example, school administrators, faculty, staff and volunteers should be commended for demonstrating appropriate behavior, treating others with civility and respect and refusing to tolerate harassment, intimidation or bullying.

For the purposes of this Policy, the term "parent," pursuant to the N.J.A.C. 6 A: 16-1.3, means the natural parent(s), legal guardian(s), foster parent(s), or parent surrogate(s) of a student. Where parents are separated or divorced, "parent" means the person or agency which has legal custody of the student, as well as the natural or adoptive parent(s) of the student, provided such parental rights have not been terminated by a court of appropriate jurisdiction.
